To Whom It May Concern:

This letter is confirmation that in 1996 Brian Symsack was the Project Manager on a 6,000 square foot addition to the Pacific Fire Protection District's Station 2. The addition was completed according to our specifications in a timely and professional manner. Brian was very professional in his role as Project Manager with attention to every detail of the project.

Respectfully,

Rick Friedmann, Fire Chief
Pacific Fire Protection District
