To Whom It May Concern:

I am writing this letter of endorsement, for Brian Symsack, for his hard work and assistance he played, in regard to my involvement with him on various projects.

His comprehensive knowledge in the construction industry was a valuable asset which played a key role in the success of these projects. Brian provided leadership for the project team through effective communication, careful scheduling, and attention to detail. Brian's collaborative drive and effort meshed well with our firm's construction management process as it related to our clients endeavors.

Simply put Brian Symsack delivers and I strongly recommend Turcon Constructors, Inc. for your construction needs. I invite you to share in the success and confidence I have experienced in my relationship with Brian Symsack.

Sincerely,

Carol Combs
